ROCKS

Reference Style

Stump needs to be weight bearing.  
Pond needs to be practical.

We are open to yours suggestions with  
this unit.

The pond is approximately 5' x 7'.  
Probably needs to be fiberglass.

If a pump and filtering system are used,  
Owner will supply.

Scenic sculptured rocks as shown.  
or ... Real rocks?

Rocks are grounded with plastic grass as  
shown.

Long grass for dressing.

Plastic Grass. Discuss placement with  
Trainers
